

1. TITLE OF THE CERTIFICATE (ES)

Certificado de Profesionalidad de nivel 2 en
TMVL0209 MANTENIMIENTO DE ELEMENTOS NO ESTRUCTURALES DE CARROCERÍAS DE VEHÍCULOS

2. TRANSLATED TITLE OF THE CERTIFICATE (EN)

Professional Certificate Level 2 in
TMVL0209 MAINTENANCE OF NON-STRUCTURAL VEHICLE BODY COMPONENTS
(This translation has no legal status)

3. PROFILE OF SKILLS AND COMPETENCES

The holder of this certificate will have acquired the **general competence** to repair detachable, metal, synthetic and fixed non-structural components of the vehicle, in accordance with established procedures and deadlines, achieving the required quality and in conditions of safety. This general competence is divided into the following **skills units** (UC):

- Replace and/or repair detachable components in a vehicle (UC0127_2).
- Carry out the repairs on metal and synthetic components (UC0128_2).
- Completely or partially replace and/or repair fixed non-structural components of the vehicle (UC0129_2)

The professional skills are acquired through the **learning outcomes** defined within the related Training Modules (MF):

- Detachable components (MF0127_2).
- Metal and synthetic components (MF0128_2).
- Fixed non-structural components (MF0129_2).
- Practical training at the workplace in maintenance of non-structural vehicle body components (MP0190)

(See legal basis for all learning outcomes information acquired by the holder of this Certificate in each MF).

As a reference the learning outcomes include in the Practical training at the workplace that complete and reinforce the learning outcomes acquired in the other training modules, are:

- Disassemble and assemble mechanical and electrical components, in accordance with the manufacturer's technical specifications.
- Replace and repair glued, fitted and laminated windows.
- Repair plastic or composite components.
- Take part in the company's working processes, following the rules and instructions established at the workplace.

4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THIS CERTIFICATE

The holder of this certificate may work in construction of bodywork in large, medium-sized or small companies dedicated to the manufacture and maintenance of vehicles. Also, in other productive sectors where bodywork and construction of tools and equipment is carried out.

The most pertinent occupations and positions are:

- Automotive assembly line worker.
- Vehicle window/glass fitter.
- Vehicle body repairer of detachable elements and metal or synthetic automotive components.
- Vehicle body repairer on public works and agricultural machinery.
- Vehicle body repairer on heavy goods vehicles.
- Vehicle body repairer on motorcycles and rail stock.

The holder of this professional certificate has recognition of the basic level training in labour risk prevention, according to Annex IV of the Royal Decree 39/1997 of 17 of January approving the Labour Risks Prevention Act.

5. OFFICIAL BASIS OF THE CERTIFICATE

Name and status of the national/regional authority providing accreditation/recognition of the certificate

The Ministry of Employment and Social Security or the corresponding autonomous regional administration within the scope of its competence, in the name of the King. The certificate is valid throughout Spain.

Level of the certificate

The Professional Certificate Level 2 of the National Repertoire of Professional Certificates corresponds to level 3 of the International Standard Classification of Education (ISCED-P 2011).

The European Qualification Framework (EQF) level:

Grading scale/Pass requirements

The grading scale and pass level of the training modules are expressed on a scale of 0 to 10. The minimum score for a pass is 5 in every training module including a pass in the practical training at the workplace module.

The grading system is as follows:

- FAIL: 0 to 4.9
- PASS-SATISFACTORY: 5 to 6.9
- PASS-GOOD: 7 to 8.9
- PASS-EXCELLENT: 9 to 10

Access to next level of education/training

This Professional Certificate Level 2 gives access to Professional Certificate Level 3 within the same professional area and family.

For validation purposes, the educational authorities will recognise the professional module or modules of the VET diplomas corresponding to the skills units included in the training modules of this certificate.

Legal basis

Royal Decree 723/2011 of 20 May, establishing eleven professional certificates in the professional family Transport and Vehicle Maintenance, which are included in the National Repertoire of Professional Certificates. (Appendix VI, Code: TMVLO209)

6. OFFICIALLY RECOGNISED WAYS OF ACQUIRING THE CERTIFICATE

This certificate may be acquired by:

1. Training: Completion with a pass grade of the face-to-face or online training programme.
2. Recognition of the professional skills acquired through professional experience or non-formal training (prior learning): Completion of a process of skills evaluation and accreditation in all the skills units making up the professional certificate.
3. Dual training: Completion of a training and apprenticeship contract, which may range from 1 year (or 6 months, if stipulated as such in the collective agreement) to 3 years, during which effective working time is combined with time dedicated to training under the training programme for the professional certificate.

The training method (number 1 above) requires successful completion of the training modules and the practical training at the workplace:

Description of vocational training received	Percentage of total programme (%)	Duration (hours)
Training modules	94	590
Practical training at the workplace	6	40
Total duration of training leading to the certificate		630

Entry/access requirements:

- Compulsory Secondary Education Diploma (Lower secondary education); or
- Professional Certificate Level 1 in the same professional area.
- If neither of the above or higher certifications are held, a pass in the key skills tests.

Additional information: Professional certificates are instruments for official accreditation of the professional qualifications in the National Catalogue of Professional Qualifications for all economic activities, within the scope of the labour administration. The National Repertoire of Professional Certificates is divided into three qualification levels (Level 1, Level 2 and Level 3), and by sectors into 26 professional families and 102 professional areas.
