(This translation has no legal status)**

---

3. PROFILE OF SKILLS AND COMPETENCES

The holder of this certificate will have acquired the **general competence** to develop multimedia products based on publishing projects, designed for the Internet or digital formats; determine aspects of functionality, interaction and usability, defining their architecture, carrying out the design of the graphic and multimedia elements needed to obtain the product, managing and controlling the quality of the multimedia publishing product. This general competence is divided into the following **skills units** (UC):

- Determine the specifications of multimedia publishing projects (UC0935_3).
- Design the multimedia publishing product (UC0936_3).
- Generate and publish multimedia publishing products (UC0937_3).
- Manage and control the quality of the multimedia publishing product (UC0938_3).

The professional skills are acquired through the **learning outcomes** defined within the related Training Modules (MF):

- Projects for multimedia publishing products (MF0935_3).
- Design for multimedia publishing products (MF0936_3).
- Implementation and publication of multimedia publishing products (MF0937_3).
- Management of the quality of multimedia publishing products (MF0938_3).
- Practical training at the workplace in multimedia publishing products (MP0341)

(See legal basis for all learning outcomes information acquired by the holder of this Certificate in each MF).

As a reference the learning outcomes include in the Practical training at the workplace that complete and reinforce the learning outcomes acquired in the other training modules, are:

- Collaborate on the product definition in multimedia publishing projects.
- Carry out the graphic design and establish the functionality of the multimedia publishing product based on its specifications document.
- Prepare prototypes of multimedia publishing products integrating multimedia elements and interactivity, in accordance with the functionality document.
- Participate in the process of publishing multimedia products on websites or in digital formats.
- Participate in the process of quality control of multimedia publishing products.
- Take part in the company's working processes, following the rules and instructions established at the workplace.

---

4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THIS CERTIFICATE
